

AP World History: Modern

This course offers an approach that lets students “do history” by guiding them through the steps a historian would take in analyzing historical events and evidence worldwide. It will begin in 1200 CE with students covering civilizations in Africa, the Americas, and Asia and continue into the modern age. The purpose of this course is to develop a greater understanding of the evolution of global processes and contacts in different types of human societies. See Guidelines for Placement of Students in Honors/AP/ Dual Enrolled Classes.
